Last day of term

Term 3, Week 10

Dear Families,

What another brilliant term. This term we have once again been reminded how fortunate we are to have such a wonderful school community. The events that have brought us together have been brilliant and we have huge appreciation for all of those who have helped to make them happen.

Our Book Week parade was sensational. The students' costumes were fantastic and it was great to see such creativity on display. A special mention must also go out to Harry Spencer and Ryan Joseph for hosting the event with such confidence. Ms Abercromby and Ms Kassiou worked tirelessly to get our Book Fair organised and running smoothly and I would like to thank them.

On Friday of Week 7 we held a Father's Day BBQ. The ELC invited Fathers and Others to participate in a sandcastle building competition and aeroplane competition where they had much fun. Families then joined together for dinner and also for some games, including a cricket game to rival an Ashes decider.

On Friday of Week 8, Year 3-5 students participated in a swimming carnival at SWELL in Palmerston and we are very proud of those students who were risk-takers and took part in the races or the novelty games. These activities provide the children with an opportunity to step out of their comfort zone and to contribute to their House, building connection and a sense of belonging.

Thank you to those families that came along to the Student-Led Conferences in Week 9. These sessions provide an opportunity for parents to have some insight into the sorts of tasks/inquiries that their children do each and every day. As always, if you have a question or concerns about your child's learning, you are encouraged to contact their classroom teacher.

After eight weeks of preparing and practising, Week 9 saw our school concert come to life. The students had worked so hard to learn their dances over the weeks leading up and it was so great to see their confidence bloom. I'm sure everyone would agree that up on stage, dressed in their costumes, the children did themselves, and their dance teachers, so proud. Spending the rest of the evening together for dinner and then our school disco was a treat. A big thank you must be passed onto Mrs Kitsos for making the delicious nachos and for all of the kitchen helpers (staff and Parents) who had everything working like clockwork. The disco was a great way to finish up the evening, with everyone having the chance to kick up their heels.

To round off an amazing term, filled with opportunities to connect, our students have participated in Wellbeing Day. The smiles on their faces all day would suggest that the day has been successful on shining a light on ways that we can positively influence wellbeing. What a perfect way to round off the term and head into the school holidays for a chance for rest and relaxation.

Next term will no doubt be a busy one, and every minute of the school day is an important contribution to your child's education. Having children of my own, I understand how difficult it can be to get to school on time each day—and some mornings just do not go to plan. However it is also important to realise the impact of being late every day and how this lost learning time builds up over your child's schooling as per the image below. It can also be distracting to other children in the classroom when students arrive late. We are hoping for a term where most students arrive on time every day. If there is anything that we can do to support your child arriving to school on time, please reach out.

Have a wonderful break. I hope each and everyone has time to rest and time to connect with those you love. I look forward to another term of connection in Term 4.

With kindness,

Tahlia Anver
 Head of Junior School
 Leanyer Campus

If your child misses....	That Equals...	Which is...	Over 13 years of schooling that is.....
10 minutes a Day	50 minutes a Week	1.5 Weeks per Year	Nearly <u>1/2 Year</u> of lost learning
20 minutes a Day	1 hour 40 minutes a Week	2.5 Weeks per year	Nearly <u>1 Year</u> of lost learning
30 minutes a day	1/2 a Day a Week	4 Weeks per year	Nearly <u>1.5 Years</u> of lost learning
1 hour a Day	1 day a Week	8 Weeks per year	Nearly <u>2.5 Years</u> of lost learning

(Table sourced from Keithlyn Mateo, 2018)

Container Recycling

Please bring in your 10 cent recycling containers.

Orange bags are available from the office.

Please remove lids and rinse containers.

Funds raised go towards our Eco Schools initiatives.

Please do not park in the drop off zone when dropping off or collecting your children. If you want to leave your car please park in a designated car park.

ELC parents can park in the drop off zone but NOT between 7:45am—8:30am and 2:15pm-3:00pm.

Wellbeing Coordinator

Tena Koutou Katoa (Hello to you all)

Restorative practice continues to be implemented as a whole school approach at our Leanyer campus where we encourage student behaviour to be respectful and supportive of others. Students are listened to, give their own perspectives and find solutions to help fix problems. We continue to see and hear the positive effects of restorative practice around the school as students engage with and learn this process, enabling them to improve their own problem-solving abilities.

Mr. Mike and Rosie the therapy dog continue to visit us and support various groups of students across the school. We always welcome their presence each Tuesday here on the school campus.

Students enjoyed learning about health and wellbeing in vertical groups and participating in various activities for our Wellbeing Day. The activities promoted physical, mental, social, emotional and spiritual wellbeing. Students engaged in cooking, gardening, STEM, pottery, cricket and made prayer stones. This was followed with water play activities in the afternoon and an icy pole treat. All students had a great day as did the teachers!

Wellbeing of students continues to be taught in all classrooms with teaching and learning occurring through units of inquiry. Coping is one of the pathways of the SEARCH framework where students learn such skills as resilience, giving them the ability to bounce back in challenging situations. It is essential parents and teachers work at developing this life skill to enable students to cope when they face challenges.

Teaching about having a growth mindset, strengthening relationships, kindness and embracing failure all help improve the development of resilience. Such skills can be developed through games and activities such as building where students learn to reason and problem solving and where students learn that life is not always fair. Teaching children how to give compliments is a further way to support and development resilience.

Now the holidays are upon us, enjoy playing games and giving compliments to your child. This will help support them to cope with difficult situations that they may come across at school and in the community.

Until next time, haere ra (goodbye) and enjoy the holiday break.

Donna Sudana

Hughes: 1075

Strauss: 1388

Book Week

In Week 6 we held our Book Fair where there were lots of great books bought from the library. It culminated on the Friday with our Book Parade. There were lots of great costumes worn by both students and staff, with students winning prizes for the best costumes.

Swimming Carnival

On Friday of Week 8, Leanyer Campus went to the swimming carnival at the Palmerston pool. The other campuses joined us there for the competition. We did three different strokes, freestyle, backstroke and breaststroke plus a relay. We raced in our age groups and a some of us received ribbons for our efforts. At the end of the carnival there was prize giving where winners and runners up were announced for each age group and the winning house team was announced. Livingstone won this year. Everyone clapped and cheered. It was a hot but fun day.

Chapel is held every Monday at 8:30am in the Dreambuilders Church.

Assembly is every second Thursday at 8:30am.

Parents and caregivers are welcome.

Primary Years
Programme

Wellbeing Day

On Friday Week 10 we held our Wellbeing Day. All students participated in activities that support positive wellbeing which included a STEM challenge, creating prayer stones, cooking, pottery, gardening and a cricket clinic.

After lunch we had great fun with water play,

Walk My Way

On Friday 6 September, Good Shepherd Lutheran College students, families and staff stepped out to bring love to life through Walk My Way! The twilight event involved completing 26 laps of the Howard Springs oval to raise money so that refugee children in East Africa can step into education.

What is Walk My Way?

Walk My Way is a fundraising walking challenge, raising money to help refugee children in East Africa go to school. Organised by ALWS (Australian Lutheran World Service), the Lutheran church's aid and development agency, each \$26 raised can help a refugee child go to school for a whole year. Since 2019, Walk My Way has helped more than 62,500 refugee children go to school. Education is a powerful way to change the future for refugee children and it is a gift that cannot be taken away.

The Good Shepherd Lutheran College community raised over \$4000, which will provide education to more than 150 students. Thank you to all who donated to this worthy cause, and to all who participated in this event!

3JM Market Stall

On Friday 30 August, the Year 3's hosted a market stall. This was linked to our Unit of Inquiry, How we Organise Ourselves. Our central idea is Economies are dependent on the exchange of Goods and Services.

Students made a variety of products to sell. They included slime, chatter boxes, paper planes, bookmarks and some yummy baked treats.

It was a huge success with the class managing to raise \$314.10!!! The Year 3's have decided to donate this money to the RSPCA.

Community Notices

Top End Lutheran Parish

We welcome you to come and be a part of our community.

Our Sunday morning church service starts: 9:30am

Email: darwinlutheranchurch@gmail.com

Year 1PC

In our Unit of Inquiry-How the world works, 1PC students have been learning about the weather and how it impacts our lives. The students had discussions on how the natural world influences our lives and made hypotheses about how the weather affects our lives such as food production, how we live with seasonal change and how important weather and the solar system are to our world. The students identified the natural, managed and constructed features of local places, the ways in which places changed, and how they can be cared for by people. The students developed questions and made predictions as well as collected and recorded information and data from observations which they wrote in their own weather journals. The students were very interested in a tree outside of the class that lost its' leaves so we documented it through photos and observations. The students learnt about the solar system and how important the sun and moon are to our world.

Enrolment Intentions 2025

We are now in the advanced stages of planning for 2025. To assist us with our forward planning for next year we ask for your assistance with understanding our enrolment numbers for next year.

Should your child not be returning in 2025 please complete the attached Enrolment Cancellation form (on last page of newsletter) and return it to enrol@goodshepherd.nt.edu.au by the **due date of Friday 4th October 2024**

Please note Good Shepherd Lutheran College's Enrolment Policy states that *one term's notice must be given or the family will forfeit the enrolment acceptance bond and the full fee for the term will be charged* (i.e. Term 1 2025). Completion and returning of the Enrolment Cancellation form by the due date will serve as satisfactory notification and the term fee will not be charged.

Ephesians 5:1-2 ICB

Hector the Cat

On Friday Week 9, Hector the Road Safety Cat came to visit the ELC and Transition students. He taught the children about road safety and how important it is to wear your seatbelt all the time. He also told the students about wearing a helmet when riding a bike or scooter, and to look and listen when near the road. He even had some great dance moves to share with them!

Mon 23 Sep Mission Takeoff: Pirate Palooza

Ahoy, mateys! Let's set sail as we go on a swashbuckling adventure today, decorating treasure chests, playing pirate math, and braving the Walk the Plank game!

Full Fee \$107.40 | After Max. CCS* \$10.74

Tue 24 Sep Adventure: The Wild Robot at Event Cinemas

Join us for an adventure to the movies! The Wild Robot follows Rozzsum 7134 ("Roz" for short), a futuristic robot that washes ashore on a deserted island. You won't want to miss this amazing tale of survival and discovery.

Full Fee \$124.10 | After Max. CCS* \$12.41

Wed 25 Sep Big Art Day: Ultimate Craft Off!

What fun challenges can you expect from a box of crafty goodies? Let's find out as we get creative with bursts of colour, shapes, and our imagination!

Full Fee \$100.10 | After Max. CCS* \$10.01

Thu 26 Sep Experience Takeover: Martial Power Hour

Get ready for Martial Power Hour with a special guest from No Limit Sports! Learn awesome karate moves, develop motor skills, and build spiritual strength. Don't miss this exciting, action-packed day!

Full Fee \$114.10 | After Max. CCS* \$11.41

Fri 27 Sep Project: A Taste of Türkiye

Discover the delights of Turkish culture as we create colourful hot air balloon art, make some delicious Gözleme, and engage in exciting Turkish trivia! Get ready for a day full of creativity, flavours, and cultural exploration.

Full Fee \$113.60 | After Max. CCS* \$11.36

Mon 30 Sep Operation: Under the Sea

Join us for an exciting exploration of the ocean's greatest mysteries! Discover the wonders under the waves as we have some fun enjoying all things oceanic.

Full Fee \$89.10 | After Max. CCS* \$8.91

Tue 01 Oct Project: Abacadabra!

Prepare to be amazed as we dive into a magical book, learn thrilling tricks, and create a levitating 'rabbit in a hat' craft! Unleash your inner magician for a day of wonder, creativity, and fun.

Full Fee \$113.60 | After Max. CCS* \$11.36

Wed 02 Oct Adventure: Funtime at The PlayShack

Let your imagination soar and explore endless play possibilities in this indoor playground! Climb up obstacles, crawl through tunnels, and swoosh down the slides as you have fun with friends.

Full Fee \$143.60 | After Max. CCS* \$14.36

Thu 03 Oct Project: Music Makers

Ever wondered how music works? Come on over today and build your own music box! We'll also be getting into some exciting experiments that explore the wonders of sound waves with your friends using our groovy melody tubes!

Full Fee \$112.10 | After Max. CCS* \$11.21

Fri 04 Oct Operation: Ventures in Velocity

Get ready to make things move! Join us as we explore cars, boats, marble runs, or maybe even parachutes, and see how motion works! Engage in various hands-on activities and exciting experiments that await.

Full Fee \$89.10 | After Max. CCS* \$8.91

Bond Conditions

The Family Bond (\$100) is held by the College until the last member of the family leaves. The Enrolment Acceptance Bond (\$300) is held for each student. This bond confirms the student's enrolment and will be refunded in full when the student leaves the College, provided that appropriate notice of withdrawal* and all outstanding monies are paid in full. **Should the bond be paid and the student's enrolment be cancelled, before commencing at the College, the bond will be forfeited.**

Any costs for outstanding resources (library books) and/or equipment are taken from the bond.

Preferred Bank Account for Bond refund

BSB: _____ Account: _____ Name of Account: _____

*notice of withdrawal - One term - corresponding published Good Shepherd Lutheran College NT school terms as per the College website <https://www.goodshepherd.nt.edu.au/> (excludes school holidays).
