#### Friday 29 November

T - 2 Gruffalo Excursion

#### Wednesday 4 December

ELC Graduation and Christmas Party

Continued .....

## Term 4 Week 5

With only five weeks to go until the end of the year, we still have quite a few events to look forward to. Please keep an eye on TASS Parent Lounge and mark these dates in your calendars as it is a busy time of the year.

This is an exciting time of the year as I interview new students for 2025. We still have vacancies so if you know of anyone thinking of coming to our campus next year, please let them know. Application forms can be picked up from the front office or downloaded from the Good Shepherd Website [www.goodshepherd.nt.edu.au](http://www.goodshepherd.nt.edu.au).

Last night Tuesday 12 November we had our 2025 ELC and Transition Parents Information Meetings. Camp Australia also ran an information and question session on this evening at 6pm between the ELC and Transition sessions.

On Tuesday 11 December we will be holding our ELC orientation morning from 8:30am – 10:30am (parents must stay) and our Transition orientation morning from 8:30am – 12:30pm. We will also be holding our T-4 Step-Up when all students will move up into their next year level for the day.

All families are invited to attend the Year 12 Graduation Service and awards night to be held at the Darwin Turf Club on Thursday 21 November. Our Junior School choir will also be performing. The evening finishes around 8:00pm. This is a really important evening to celebrate who we are as a college. Can all parents of choir students ensure they have signed the TASS form indicating your attendance on the evening and giving permission for them to attend the rehearsal in the morning.

One of the biggest events coming up is our Year 5 Exhibition evening, which will be held on Wednesday 27 November from 5.30pm to 7:30pm. The Exhibition is combined across the three campuses and will be held at the Cornerstone Church at Howard Springs. The Year 5 class are currently working on their Exhibition inquiries. All families are invited to attend to support and celebrate the hard work of our Year 5 students.

On Monday 9 and Tuesday 10 December our Year 5 students will be attending step up at the Middle School. It has been so lovely to watch them flourish this year, I am very much looking forward to their Exhibition and end of year celebrations, so that we can celebrate their achievements over their years at the Palmerston Campus.

### Vicki Trathen

Head of Junior School  
Palmerston Campus

## Upcoming Events

### Friday 6 December

Year 5 Final Assembly and Farewell (8:20am)

Year 5 Family Morning Tea

### Friday 6 December

Christmas Concert

### Saturday 7 December

Year 5 Graduation Dinner

### Monday 9 - Tuesday 10 December

Year 5 Step Up

### Monday 9 December

T - 4 Awards Assembly

ELC - 4 Step Up and Orientation Day

New Student Orientation

T-4 Step up

### Wednesday 11 December

Last day of Term 4 T-5

Class Parties

### Thursday 12 December

Last day of ELC for 2024

### Thursday 12 - Friday 13

Staff PD Days

## AWARDS

Congratulations to the following students for receiving awards over the last 5 weeks.

## House Awards

### Fenton

Adeline Noble

Kyal Backwell- Kononen

Braxton Burger

Lara Walker

Colby Taylor

### Livingstone

Emmett Kamarudin

Pippa Jaeger

Ronan Nowak

Theo Patten

Oliver Bowman

Luca Ploughman

Scarlett Griggs

Kobe Burgess

Jimmi Reynhout

### Strauss

Kieran Becker

Lily Lugg

Ngaire La Porte

Lani Trouchet

### Hughes

Nadia Kassiou

Charlotte Valentine

Bailey Jones

Isaac Harvey

Hayden Toll

Bill McKeown

## French Awards

**Transition:** Indi Winch, Breanna Doyle

**Year 1:** Joy Carne, Luca Ploughman

**Year 2:** Tessa Crick, Payton Hamlyn

**Year 3:** Scarlett Griggs, Oliver Penning

**Year 4:** Eliza Crick, Amiyah Winch

**Year 5:** Billy Bui, Christopher Lugg

## House Point Current Total

**HUGHES – 1728**

**FENTON—1504**

**LIVINGSTONE - 1457**

**STRAUSS—1435**

At Assembly, which is held every even week at 8:20am, the House Cup is presented to the House Team who were awarded the most points for the fortnight.

### TERM 4

Week 10 FENTON were awarded the cup

Week 2 LIVINGSTONE were awarded the cup

Week 4 HUGHES were awarded the cup.

## World Teachers Day

On Friday 25 October, we celebrated World Teachers Day. Thank you to Clinton Howe for your gift of cakes and slices they were greatly appreciated. A huge thank you to our wonderful teachers and support staff at the Palmerston Campus who work hard to make our campus great.

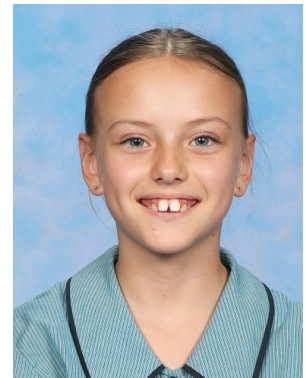

## Year 4 Speeches

It's that time of year when we start the process of appointing our Junior School Leaders for next year. The students had to write a letter of application and then give a speech in front of the whole school. Then the students from T – 4 as well as all the staff voted. They all stood up and spoke with confidence. This year we had 12 students apply for the role of Junior School Captain. The most we have ever had. After the voting process, 6 students then went through the interview stage with Mr Qualischefski and Mrs Trathen. We would like to congratulate Madeleine Commons-Fidge and Elena Coppola as our 2025 Junior School Captains. It was certainly a difficult decision, and we are extremely proud of all the applicants. We will begin the process of choosing the House Leaders for 2025 in the next couple of weeks.

### 2025 Junior School Captains

Madeleine Commons-Fidge and Elena Coppola

## Christmas Concert – Save the Date

On Friday, December 6, we will be holding our annual Palmerston Campus Christmas Concert. From 5:00-6:30 pm, food vans will be available on the basketball court if you would like to purchase dinner and join us for a family picnic. The concert will then begin at 6:30 pm. There will be further information sent out via TASS in the coming weeks. Don't forget to save the date.

## **UNIFORMS:**

While we are almost at the end of the year it is still a requirement that students are wearing full school uniform.

### [Uniform Regulations](#)

Complete and correct uniform, as determined by the College Board, is to be worn at all times and must be kept clean and in good condition. The uniform is to be worn at all times except on days with lessons that specifically require the sports uniform or on days formally designated as allowing different dress. It is not permitted to mix elements of the formal and sports uniforms.

Please remember that black shoes need to be worn with the formal uniform. They need to be entirely black and not have white soles. Junior school students are permitted to wear navy or black sandals.

Students wear their PE uniforms on Tuesdays (not house shirts) and they can wear their house shirts on Fridays. Sports shoes are to be exercise or running shoes only. Skate shoes, slip on shoes, canvas shoes or any other unsupportive shoe are unacceptable.

Students are to wear plain white socks with all school uniforms.

## **HATS:**

The College bucket/sports hat is an integral part of the College uniform. A 'no hat no play' policy exists at the College and so students require a college hat to play.

## **HAIR:**

Students with hair longer than the top of the shoulder must have all long hair tied back and up from the face using plain blue or black hair ties. Plain blue or black ribbons may also be worn. Hair shorter than shoulder length may be held back with a plain blue or black headband or clips. Hair clips are to be plain bobby pins or hair clips. Colour combs and/or decorative clips are not permitted.

**JEWELLERY** is limited to the following:

- ◆ Wristwatch.
- ◆ Small silver or gold cross and chain.
- ◆ Students with pierced ears may wear small studs (less than 5mm) and sleepers/hoops (less than 10 mm diameter).
- ◆ A maximum of two earrings in each lower earlobe is permitted. Clear, plastic studs for maintaining additional holes in ears is acceptable (including helix piercings).
- ◆ Students with nose piercings may wear small (less than 5mm) clear plastic studs.
- ◆ No other facial piercings or clear fillers are permitted.
- ◆ Medical bracelets/anklets/necklaces may be worn.

While every attempt has been made to provide unambiguous guidance regarding acceptable jewellery / accessories, it is impossible to cover all possibilities. In all cases the intention of the policy is that students maintain a professional appearance which will be at the discretion of the Head of School/Principal.

## Family Camp

It was great to see so many families come along to our Family Camp on Saturday 26 October at Howard Springs Big 4. A huge thankyou to our Class Carers for organising the event. The families swam in the pool, had a shared dinner and finished the night with a scavenger hunt and ice cream. We look forward to having more families join us in 2025.

## Early Childhood Awards

Congratulations to our amazing Palmerston ELC educator Amy Emmott, who won Outstanding Educator at the 2024 NT Education and Care Awards!

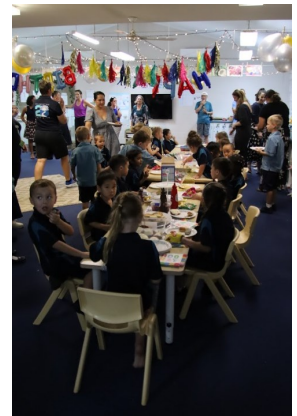

An incredible achievement and very well deserved!

## ELC First Birthday

On Wednesday 16 October we celebrated the 1st birthday of our Palmerston campus Early Learning Centre. Can you believe we have been officially open for a year already!

We celebrated with a special assembly, followed by a birthday party with our families and friends. Thank you to everyone who joined us!

# Primary Year Programme

A foundational element of the PYP is the 7 Key Concepts that are central to how we help students explore and make sense of the world around them. These concepts not only shape what students learn but also how they learn. They encourage inquiry, critical thinking, and reflection. Here's a breakdown of how the Key Concepts support your child's development:

1. Form: What is it like?

How this helps:

Children become more observant, discerning, and capable of describing the world around them. It supports their ability to classify, compare, and identify patterns.

2. Function:

How does it work?

How this helps:

Your child will develop problem-solving skills and gain an understanding of systems and processes in everyday life. This thinking helps them approach challenges with creativity and resilience.

3. Causation: Why is it like this?

How this helps:

Children become better at understanding cause and effect. It fosters their ability to make predictions and to think logically about how different factors interact.

4. Change: How is it changing?

How this helps:

our child learns to navigate change with adaptability. They also understand the patterns that underlie change, whether in history, nature, or personal development.

5. Connection: How is it connected to other things?

How this helps:

Your child will build their understanding of interrelatedness and develop a broader perspective on global and local issues. They will begin to think about how their actions impact others and the environment.

6. Perspective: What are the points of view?

How this helps:

Your child learns to appreciate diversity and to challenge their own assumptions. They develop the ability to see situations from multiple viewpoints, fostering open-mindedness and tolerance.

7. Responsibility: What is our responsibility?

How this helps:

Children learn to take ownership of their actions and to consider the ethical implications of their decisions. This encourages active citizenship, environmental stewardship, and social awareness.

## How These Concepts Benefit Your Child

In the PYP, we focus on making learning meaningful by addressing these concepts through inquiry-based learning. Instead of simply memorising facts, your child will engage in deep investigations that encourage them to ask questions, seek answers, and make connections. These concepts support the development of critical thinking, problem-solving, and collaboration—skills that will serve them well in school and beyond.

As parents, you can support your child's learning by encouraging them to ask questions like:

"What is it like?"

"Why do you think this is happening?"

"How is this connected to other things?"

By showing interest in these questions, you're helping your child develop a mindset of curiosity and exploration that will last a lifetime.

Thank you for being an important part of your child's learning journey. Together, we can foster a love of inquiry that will empower them to think deeply, act responsibly, and become active global citizens.

Rebecca Fletcher  
PYP Curriculum Coordinator

## TERIS Swimming

Last Friday, Good Shepherd Lutheran College students made a splash at the TERIS swimming competition! Competing in butterfly, breaststroke, backstroke, and freestyle, they wrapped up with exciting team relays. A huge shoutout to those who placed 1st, 2nd, or 3rd! Great job, everyone!

## TRANSITION

# TJC Stay-Up

Unfortunately, the first big storm of the season decided to grace us with its presence on the same afternoon as our Stay-Up! After having to come undercover after only about 20 minutes of water play due to the impending lightning, everyone continued to enjoy the messy play and Mrs De Castro's makeshift hose rain. The children then dried off and enjoyed a movie, pizza and some dancing inside.

Thank you to Molly's family for letting us use their great water slide. And a big thanks to Mrs Sansom and Mrs De Castro for assisting on the night. Big thanks also goes to Miss Tolhurst for delivering our pizzas!

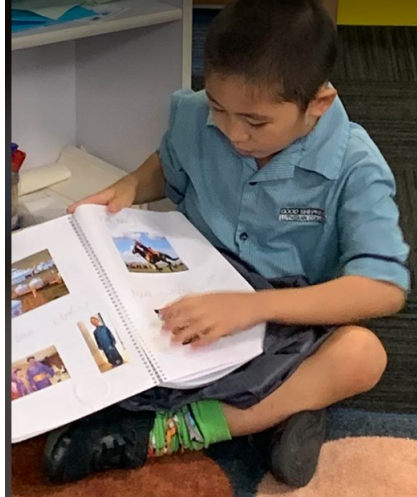

## Year 1

So far in our UOI, 'How we express ourselves', Year 1 has learned about Ireland, China and Canada. In Ireland, we learned about St Patrick, St Patrick's Day and Irish Dancing. In China, Jamie showed us some lucky red envelopes and cultural dress photos. In Canada, we've looked at the maple syrup and how they have Maple Syrup festivals every Spring. The children had a great time learning about the 7 continents of the world. They worked together to create the 7 continents. They learned that Australia is the smallest continent but is also a country and an island.

In Christian Studies, we were lucky enough to have Minister Jesse Morrison visit our school from St Peter's Anglican Church. The children have been learning about different Christian denominations and church groups. He gave us lots of information and showed us what happens at Fresh, a youth group just for primary school aged kids.

Lastly, the Year 1s have been busy learning how to partition. Here is a photo of Joy showing her awesome partitioning skills. Well done, Joy.

# YEAR 3

## Buzz the Blue Tongue

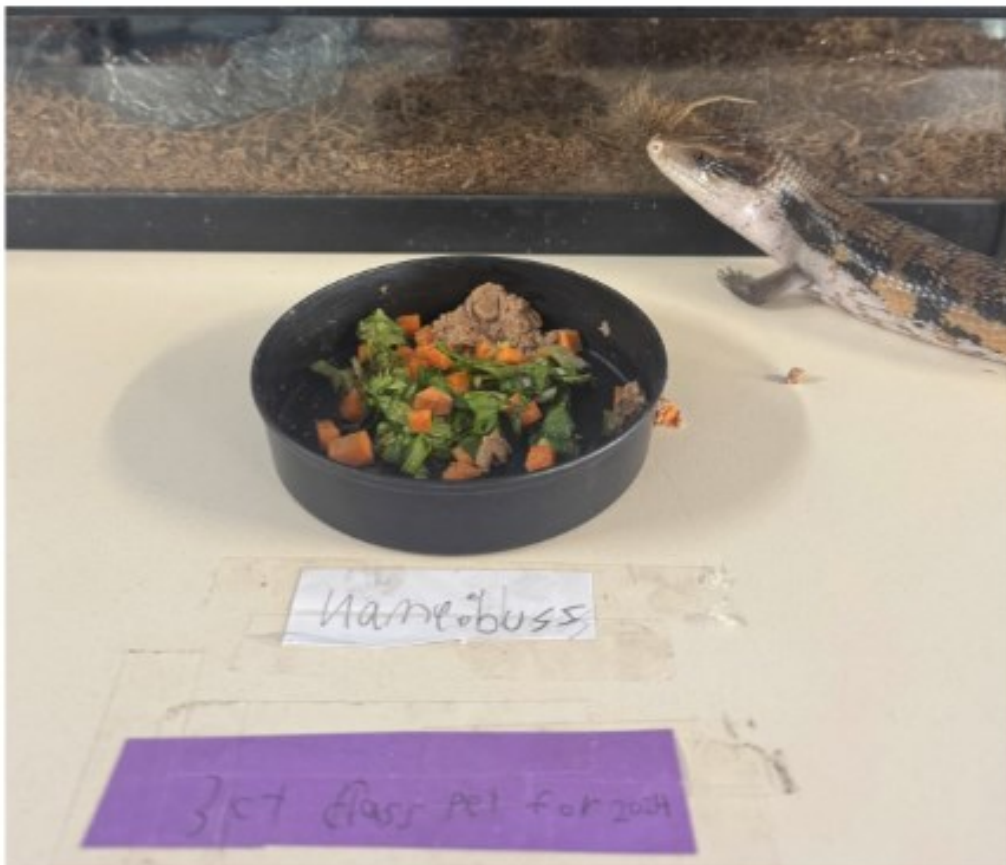

We have a class pet named **Buzz**. He is a Common Blue Tongue lizard – maybe you have one of his cousins in your backyard?

We borrowed Buzz from Tom at Top End Critters. We feed him about twice a week. You might have met him if you've visited our classroom. He is very wriggly! He loves to run around and jump out of your lap so we have to make sure we hold him properly – one hand under his front legs and the other hand under his back legs.

Here are some of our favourite Blue Tongue lizard facts:

Romain – they have a blue tongue so that predators think they are poisonous.

Lara – Some Blue Tongues are coloured brown to camouflage with dead leaves and twigs on the ground

Sean – the holes in the side of it's head are ears.

Scarlett – A Shingleback Blue Tongue has a bobtail that looks like it's head. It puts it up when a predator comes so the predator thinks it's his head and attacks it. Then he can turn around and bite the predator and run away.

Sean – Every Blue Tongue lizard can drop their tails (except for the Shingleback). They do this to distract the predator so they can run away. The tail keeps wriggling after it has detached.

Isaac – When they are scared, they flatten themselves to appear bigger.

Romain – the Blotched Blue Tongue Lizard is yellow and orange so predators think it's poisonous

Isaac – Pygmy Blue Tongues live in holes.

Jack – You can't have a Pygmy Blue Tongue as a pet because they are endangered

## 2025 Term Dates

### Term 1

Monday 3 February - Friday 4 April

Midsemester Break

Monday 7 April - Friday 11 April

### Term 2

Tuesday 15 April - Friday 20 June

Semester Break

Monday 23 June - Friday 11 July

### Term 3

Tuesday 15 July - Friday 19 September

Midsemester Break

Monday 22 September - Friday 3 October

### Term 4

December

**Kyle Cantrill**  
College Chaplain

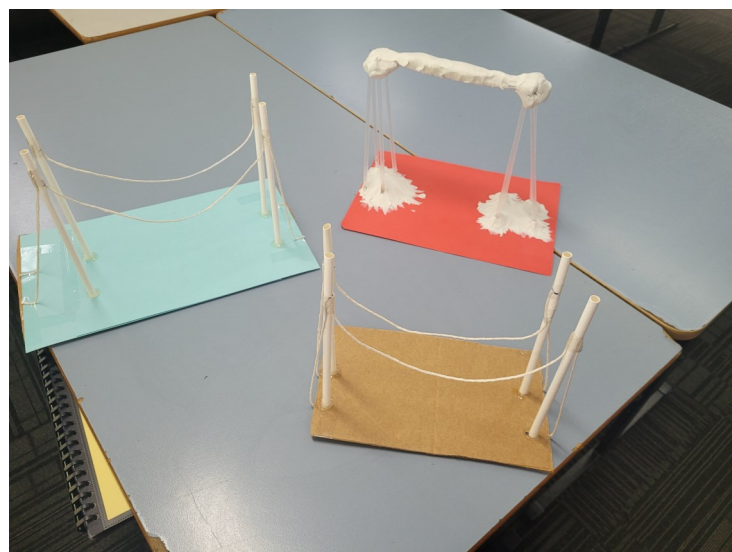

If you wish to contact our College Captain, Kyle Cantrill, you can email him using the address below:

[kyle.cantrill@ntschoools.net](mailto:kyle.cantrill@ntschoools.net)

## Year 5

Year 5 students have been working hard on their Exhibition projects ready to present in Week 8. Following the inquiry process, students developed their own central ideas and lines of inquiry about a topic of interest. Topics range from bridge strength, effects and challenges of gaming to human relationships with dogs. Each week they meet with their teacher mentor who are providing valuable feedback. Students are excited to see their visions presented on their boards and designing fun interactive tasks.

# Farewell and Heartfelt Thanks to Our Outstanding Mrs Kassiou

As we approach the end of this term, we find ourselves with mixed emotions. It is with deep gratitude and a sadness that we bid farewell to our extraordinary Library Officer, Mrs Barbara Kassiou, who is embarking on a new journey.

Mrs Barbara Kassiou, joined Our Junior School Campus Libraries at Leanyer and Palmerston in 2023 and has been a beacon of joy, efficiency, and unwavering dedication. Assisting with the management of the Leanyer and Palmerston Junior Campus Library Resource Centres, Mrs Kassiou has not only ensured that Our Collections are meticulously organised but has also created an inviting and warm atmosphere for Our College Community.

Mrs Kassiou's love for books and reading has been infectious, inspiring countless young minds to dive into the world of literature. Amazing, creative displays and thoughtful recommendations have turned many reluctant readers into enthusiastic book lovers. It is Barb's personal touch that we will miss the most. Always ready with a smile and a kind word, she has made each visit to the Leanyer and Palmerston Library Resource Centres a delightful experience.

Barbara's contributions extend beyond the shelves and stacks as she's been heavily involved with Our College since her eldest son first joined us at GSLC and Mrs Kassiou has been a true partner to teachers, supporting curriculum goals with expertly curated resources and fostering a love of learning in Our Students.

As we reflect on Barb's time with us, we cannot help but feel immense gratitude for her hard work, enthusiasm, and the positive impact she had on our school community. We are profoundly thankful for everything, and we know that the Family's next adventure will be just as successful and fulfilling.

We wish Mrs Barbara Kassiou and her Family all the very best in their future endeavours and hope they carry with them fond memories of their time here at Good Shepherd Lutheran College. The legacy of joy and efficiency that The Kassiou's leave behind will continue to inspire us.

With heartfelt thanks,

Mrs Abercromby  
& The College Community at Good Shepherd

# LIBRARY NEWS

## Christmas is Coming to Our Library Resource Centre!

The most magical time of the year has arrived, and we are thrilled to share that our Library Resource Centre is all decked out for the holiday season! From twinkling lights to festive decorations, we've been busy creating a warm and welcoming atmosphere for all to enjoy.

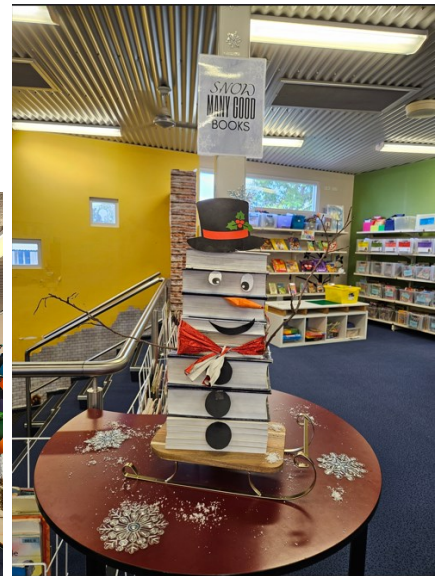

As we count down the days to Christmas, we want to take a moment to thank each and every one of you for making this year so special. Whether you've borrowed a book, participated in an event, or simply visited us for some quiet reading time, your support has made our Library Resource Centre a place of joy and inspiration.

We hope that this holiday season brings you peace, joy, and plenty of time to relax with a good book. As we say, "It's the best time of the year!" Let's make it merry, bright, and full of holiday cheer.

From all of us here at the Library, we wish you and your loved ones a very *safe* and *happy* Christmas. Thank you for an amazing year – we can't wait to see what 2024 brings!

With love and festive cheer,

**Mrs. Kassiou & Mrs. Abercromby**

## From Student to Mentor: Meet our new DSM!

---

Good Shepherd Lutheran College is excited to welcome Jessica Moon as their new Defence School Mentor (DSM) supporting Defence families across three campuses in Leanyer, Palmerston and Howard Springs. Jess brings a unique perspective to this vital role, having grown up in a Defence family herself.

As a former recipient of the Defence Mentor Program's support as a student, Jess is passionate about giving back and ensuring that Defence students at Good Shepherd Lutheran College feel seen, supported, and welcomed. Her father's service in the Army gave her firsthand experience of the challenges faced by Defence families, and she's excited to use her experience to help students settle and thrive at school.

Principal Matthew Qualischefski shares his enthusiasm about having Jess on the team, saying, *"We are thrilled to have Jess join us as the new Defence School Mentor. Her background and understanding of Defence life make her an invaluable asset to our school. We understand the unique challenges faced by Defence families, and we're confident that Jess will provide the guidance and care needed to help our students thrive in our community."*

### How Jess Supports Defence Families

Settling into a new school can be challenging. Jess plays a vital role in helping students by connecting them to the school community. By fostering friendships and building support networks quickly, she ensures that the transition is smoother and less overwhelming.

When a parent is away for deployment, exercises, or training courses, children can experience emotional difficulties. Good Shepherd Lutheran College runs a 'Deployment Kids Group' every Tuesday and Wednesday during lunchtimes. This group offers a safe space where students can share their experiences through activities like journaling, letter writing and crafts. Participation is entirely voluntary, allowing children to choose when they feel ready to engage.

For those preparing to move again, Jess helps students who are posting out by providing emotional support, helping them say goodbye to friends, and offering positive thinking strategies to ease the transition to their new school environment.

Want to know more? Reach out to [dsm@goodshepherd.nt.edu.au](mailto:dsm@goodshepherd.nt.edu.au).

Principal Matthew Qualischefski with Defence School Mentor Jessica Moon.

## Christmas Toy and Food Drive

This term, we are excited to launch our annual Food and Toy Drive to support those in our community who may be less fortunate. Many young people and families face challenges during the Christmas season and may not have the opportunity to enjoy a festive meal or experience the joy of opening gifts on Christmas morning.

In partnership with the Salvation Army, we have the opportunity to make a real difference. By donating food and toys, we can help bring some Christmas cheer to those in need.

We are collecting:

- New toys for all age groups
- Canned goods and non-perishable Christmas foods
- Soaps, perfumes, beauty products
- Any other items that would make a thoughtful gift this Christmas

Donations will be collected at each campus during Week 9. Collection boxes are available outside Mr. Kyle's office. Let's come together as a school and help make this Christmas special for someone in our community!

**Kyle Cantrill**

College Chaplain

The poster features a dark blue background with a string of colorful Christmas lights at the top. On the left, a green Christmas tree is decorated with yellow, red, and white ornaments and a yellow star on top. In the center, the text 'Christmas Toy & Food Drive' is written in large, bold, white letters. To the right, there are two brown cardboard boxes. The top box is overflowing with toys, including a teddy bear, a yellow ball, and alphabet blocks. The bottom box is labeled 'Donations' and contains canned goods and other food items. A red banner at the bottom contains the text 'Donate until 6th December at any Good Shepherd Lutheran College Campus'. Below the banner, the text 'Thank you!' is written in large, bold, white letters. In the bottom right corner, the logo for Good Shepherd Lutheran College is displayed, featuring a cross and a sun, with the text 'GOOD SHEPHERD LUTHERAN COLLEGE' and 'COMMUNITY · RESPECT · SERVICE' below it.

# Gifts of Grace

The Australian Lutheran World Service (ALWS) is the Lutheran Church of Australia's foreign relief and resettlement organization. Their primary focus is on offering aid and backing to underprivileged communities in Australia and other countries. In addition to reacting to crises like natural disasters and wars, they also engage on community development initiatives and provide humanitarian relief. By tackling problems like hunger, poverty, and limited access to healthcare and education, ALWS hopes to improve people's lives. They work together with communities and local partners to establish sustainable solutions for long-term growth.

Our School would like to contribute towards Gifts of Grace by participating in the 12 days of Christmas. Every 2<sup>nd</sup> day between the 28<sup>th</sup> November and 11 December the students can choose to participate by dressing up and bringing in a gold coin donation for Gifts of Grace. The dress up calendar will be sent home with your child and via TASS correspondence.

Each class will choose an item from the Gifts of Grace catalogue that their money will go towards.

Monday	Tuesday	Wednesday	Thursday	Friday

# Bussy's Corner Hello Students and Families

Be Kind and Respectful, don't be a Bully.  
 Bullies can get help. (Including ways to manage your stress and emotions)

why you should NOT BULLY

- Because it shows you are insecure.
- Because it is WRONG to pick on others who are different.
- Because you can control your behaviour.
- Stop and think what if it is you who is getting bullied.

If you are being *bullied*, help is available. If you are *bullying* others, take the first step to stop it by getting help.

Can parents/guardians please ensure that students understand their responsibilities as outlined in the Code of Conduct for School Bus Travel. Click on this link for the Code:

[https://nt.gov.au/\\_data/assets/pdf\\_file/0010/517624/code-of-conduct-for-school-bus-travel.pdf](https://nt.gov.au/_data/assets/pdf_file/0010/517624/code-of-conduct-for-school-bus-travel.pdf)
